MildObsessions

1 **Bouture Line Cocktail Clutch by Butler Bags** • This bag is equipped with a strap across the front flap that allows ladies to slip this handbag on like a glove. The Bouture Line, specifically the Cocktail Collection, is travel savvy and uses handcrafted, high end, crushed Italian patent leather, making this sexy accessory as plush as it is sensible. • **$800 | www.butlerbag.com**

2 **China Mask Collection by New Balance** • Inspired by the Summer Olympics in Beijing, these showstoppers will hit shelves in August world wide, just in time for the opening ceremony. The shoes are available in three bold hues, built on the distinctive 576 shoe frame, and each color has a name based on a Beijing opera character, a mood, and a very different story. • **$100 | www.newbalance.com**

3 **Minx at Extremedys Hand & Foot Spa** • Unlike liquid polish that chips in days, Minx is a flexible eco-safe film applied to the nail with gentle heat that last weeks longer than conventional lacquers. Available in metallics, sexy graphics, solid shades or custom made to match an outfit. The exclusive product is only offered at a few salons and prices vary per location. • **Manicure, $55 | Pedicure, $80 | www.minx.com | www.extremedys2012.com**
